

Homework Due- 29/11/13

As part of our new IPC 'Let's Celebrate', we would like you to bring in any photos from any celebrations that you have been involved in over a range of time, so that we can build a timeline. Pictures can be from birthdays, weddings, Christenings, religious festivals etc.

In Literacy we are reading 'The Owl and the Pussy-Cat'. Draw a picture of your favourite part of the story and write about what is happening.

In Numeracy we have been adding numbers together and working out the total. Our new website is now active and there is a link to Interactive Resources in the year 1 home learning section. Log on to the year one page to play ghost blasters, a fun adding game.

Mathletics usernames and passwords have been given out. Please log on at home and play some maths games.

REMEMBER to read every evening and to ask your parent/carer to comment in your reading diary!

Book bags and books must be brought to school every day!

The Owl and the Pussy-Cat
