The school expects to receive a total of £9,345 this academic year for PE Premium funding. This money goes towards a number of things we provide for the Physical Education aspect of the curriculum. This sum is supplemented from other funding streams within the school so that we can:

- Provide swimming provision for all pupils to receive a term of weekly lessons from year 1-6.
- Provide after school and lunchtime sports club provision led by specialist sports coaches in football, bench ball and other team sports.
- Provide resources and staff to support team attendance at sports events both borough and London wide.
- Hold whole school sports events at Hampstead Heath Running Track.
- Be fully stocked with resources for a wide range of sports and sports lessons.
- Contribute to the training costs for our PE co-ordinator.
