Nursery

We hope everyone had a lovely half term holiday. Last half term we had a wonderful time in Nursery learning all about different plants and flowers and the importance of insects and minibeasts in the garden. Our focus stories this term have been: Jack and the Beanstalk, Titch and Yucky Worms. Outside we built our own wormery, please remember to save your fruit and vegetable peel to feed the worms!

To finish our 'Plants and Flowers topic' we went on a trip to Hampstead Heath to explore the trees, plants and flowers. We found some excellent climbing trees, a huge variety of insects and a magical hollow tree which we managed to hide inside. Thank you to all the parents who helped out.

Song of the term: Wiggly Woo

There's a worm at the bottom of the garden,
And his name is Wiggly Woo,
There's a worm at the bottom of the garden,
And all that he can do,
Is wiggle all day and wiggle all night,
The neighbours say what a terrible fright,
There's a worm at the bottom of the garden,
And his name is Wiggly, Wig-Wig-Wiggly,
Wig-Wig-Wiggly Woo!

Reception

Last half term our topic was Animals. We enjoyed acting out the story of The Leopards Drum. We made African masks and Suraya's Grandma Lucy came in to play the Kora for us. We had drumming workshops with Rod. We also read 'Bog Baby' and went pond dipping at Camley Street Nature Park where we found some pond creatures including Bog Babies. In Maths we learnt about different shapes and measured different objects. We made patterns for a cloak, used scales to compare different objects weights, measured our height and learnt how to tell the time to the hour. Next week we will send you a newsletter with this half terms topics.
