Message from the head

The school will be closed tomorrow for an INSET day to enable staff to undertake important safeguarding training. We are required by law to hold five INSET days each year and we value these opportunities for staff professional development. I would like to wish you all a happy and restful half term break. Please do take advantage of all of the wonderful opportunities around us – autumn walks, library visits, maybe even a trip further afield, it is so important that children appreciate the world around them. School opens again at 8:50 on MONDAY 30th OCTOBER and we will look forward to hearing about all the exciting things the children have done.

**PLEASE NOTE: TOMORROW (FRIDAY 20th OCTOBER) IS AN INSET DAY

A huge congratulations to Sumatra and Madagascar for two amazing performances! Thank you to all the friends and family who attended the shows.

Pizza and A Play

Before Sumatra's terrific performance of A Midsummer Night's Dream, they had a great time making pizza. They were very well fed!

Well Done Lolly!

Lolly in Guernsey has had her hair cut off for charity and raised a lot of money doing so. The hair is going to help make wigs for people who have lost theirs due to illness. Well done Lolly what a kind and generous thing to do, we are all proud of you.

This half term, Year 4 have been working extremely hard on their topic Active Planet. As part of their home learning, the children have been making and researching volcanoes.

The Great Brecknock Bake Off

In IPC, Year 2 decided to channel their inner Thomas Farriner. No they didn't set fire to the school! But they did do some baking!

Using an old recipe for soda bread they baked up a storm in their classroom. Thomas Farriner would have been proud of their baking achievements.
