

Friday 5th January 2018

## Message from the head

Happy New Year to everyone! It was lovely to see all the children back at school yesterday and to greet the families. Topic work is already underway and we are looking forward to a busy and productive term. You will have received a letter about curriculum meetings which will take place on **17<sup>th</sup> and 18<sup>th</sup> January**, please make sure that you come to these meetings. You will be able to find out about planned learning and trips, end of year expectations, our behaviour policy and also ask any questions you might have. We will look forward to seeing you there.

## HAPPY NEW YEAR — WELCOME BACK!

26th January - Year 3

### Camden Harmony Singers

Are you interested in starting a new hobby for 2018? Why not join Camden Harmony Singers. It is a group that has evolved from a school outreach project and many parents from local schools participate. They are welcoming new members. No need to read music or prior experience necessary. ALL welcome. They meet on Wednesdays 18.30 to 20.30 in Eleanor Palmer school starting on 17 January 2018. Please do come along and try it out.

## Staff Panto

The school was invaded by some very strange looking characters! There was a candlestick holder, a clock, a tea-cup and a teapot. It was of course the annual staff panto to the school.

The teachers always enjoy getting dressed up and this year was no exception. Judging by the volume of the 'oh no she isn't' and the laughter we think the children really enjoyed it too!

Well done to everyone who took part. We're already looking forward to next years.

## Goodbye Matt!

We had a lovely farewell assembly for Matt where we sung lots of songs and dressed up in masks of Matt's face!

## Year 5 CLC

Gillian from the CLC came to help Year 5 designing space themed games on Scratch! They had a lot fun creating the scripts to make their exciting space games relating to their topic Space, the Final Frontier.

## Year 4 Matrix Homework

As part of their topic Active Planet, the children in Year 4 have been working hard at home researching different volcanoes, earthquakes and tsunamis. At the end of term the children shared all of their hard work with the class.

## Mathletics

Please encourage your children to log on at home—every little helps!

## Golden Book Awards! And this terms winners are...
