Reconstitution of the Brecknock Governing Body

Dear Parents,

I am writing to let you know about some changes to the constitution of the Governing Body which we are required to make under new Government Regulations.

At the moment there are elected Governors of a variety of different stakeholder groups (parents and staff) as well as some appointed by the Local Authority and the school. The new regulations put in place some restrictions – this includes only having 1 elected member of staff and 1 Local Authority governor and also creates a new role of “co-opted Governors” which Governing Bodies are able to use to appoint individuals who have the skills which will be useful.

Having looked at what we need here at Brecknock, Governors agreed that the school should have a slightly smaller Governing Body of 15 members made up of the following:

- 5 parent governors
- 1 staff governor
- 1 Headteacher
- 1 Local Authority Governor
- 7 Co-opted governors*

*We also agreed to keep 2 of the co-opted Governors should be staff because we felt that it was important to have staff included in the important decisions made about the school.

If you have any questions or wanted to talk further about this, please do email me on chair@brecknock.camden.sch.uk or come and talk to me in the playground at pick up or drop off.

Thanks

Geethika
Chair of Governors
