

PE and Sport Premium Grant

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

Overview of the school

Total amount of PE and Sport Premium funding received

£19,300

Summary of spending 2018/19

At Brecknock, we use PE funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and our general sport offer. As a school, we already provide high quality Physical Education as we have two specialist PE teachers who work at the school two days a week to teach PE in all classes. We provide an inclusive PE curriculum that offers a wide range of sports for all children to participate in. We help children to understand the importance of an active lifestyle (and the associated health benefits) and encourage them to take part in a range of clubs, teams and competitions, in school and against other schools in the borough.

Objectives in spending PPG:

- All children benefit regardless of sporting ability;
- All children have the opportunity to compete in competitions at some level;
- Children are provided opportunities to participate in competitions;
- All children have the opportunity to try a broad range of sporting activities;
- Staff have access to training opportunities and continued professional development;
- Swimming is subsidised to support all families financially

Swimming

All of our children receive swimming lessons during their time at Brecknock as part of the PE curriculum. By the end of Year 6, all children must be able to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively, perform safe self-rescue in different water-based situations. Below you will find our results.

Academic year 2017-2018 – swim competently, confidently and proficiently over a distance of at least 25 metres: 80% (46/57); use a range of strokes effectively: 80% (46/57); perform safe self-rescue in different water-based situations: 80% (46/57)

Proposed PE and Sport Premium Grant spending by item/project 2018 – 19

Item/project	Cost	Objective
Hiring qualified sports coaches to deliver high quality provision	£1,500	Maintain our partnership with PSL: <ul style="list-style-type: none"> - Every class in the school, from Year 1 to Year 6, receives high quality weekly lessons that are matched to the National Curriculum and delivered by specialist coaches. This sum is taken out of the core staffing budget. - Run sports and activity clubs during lunch time, after-school and in the school holidays (e.g. dodgeball and multi-Sports days are offered at the school during the holidays) - Assistance and organisation during Sports Day
Hiring additional qualified sports coaches to work alongside teachers when teaching PE	£3,000	Maintain our partnership with Arsenal Football club, involving: <ul style="list-style-type: none"> - Weekly coaching sessions in line with the national curriculum (invasion/multi-skills learning) - Teachers work alongside Arsenal coaches during every session to provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across the school. - After school clubs which focusses supporting children of an underrepresented group - Competitions (cross borough football competitions) - Holiday Clubs: "Arsenal Double Club" Reading/football during school holidays. The school targets children who are entitled to Pupil Premium funding. - Other services (tickets to see Arsenal play, workshops, interventions, CPD opportunities, events, meeting footballers, opportunities for children to take part in holiday booster clubs).
Provide all pupils with a term of weekly swimming lessons	£3,500	<ul style="list-style-type: none"> - Free swimming provision
Providing opportunities for children to compete in competitions against other schools	£2,300	<ul style="list-style-type: none"> - Provide resources and staff to support team attendance at sports events both borough and London wide. The school has competed in dodgeball, bench ball (x2), cross country, football (local league and competitions) events this year. There are boys and girls teams for each event. - Be fully stocked with resources for a wide range of sports and sports lessons, including new kit for competitions.
Providing appropriate resources / PE kit	£2,000	<ul style="list-style-type: none"> - Equipment – Replace, renew and reprioritise equipment. Break and lunch equipment includes: basketballs, footballs, skipping ropes, badminton equipment, dodgeball equipment, toy bikes and climbing areas - Some children in our school do not have access to appropriate PE kit. This proves a barrier to safely and comfortably engaging in PE lessons. We will purchase a supply of PE clothes for each class so that all children can participate in physical activity
Training and CPD	£1,000	<ul style="list-style-type: none"> - Contribute to the training costs for our PE co-ordinator and cover costs when taking children to events
Increasing participation in school sport, including after-school provision Enriching the PE curriculum	£3,000	<ul style="list-style-type: none"> - Provide after school and lunchtime sports club provision led by specialist sports coaches in football, bench ball and other team sports. Subsidise after-school clubs. - Extra after-school clubs have been organised with specialist coaches, including street dance. - Dance workshops organised in preparation for children to perform at 'Community Festival'

Offsite sports day events for all children	£500	<ul style="list-style-type: none"> - The lack of space in our school grounds is prohibitive to safe, competitive and enjoyable sports day events. Sports funding will therefore be used to hire facilities in which to hold sports days for all children from Nursery to Year 6. - Hold whole school sports day event at Hampstead Heath Running Track: Reception, KS1 and KS2 full programme of track and field events. Hold separate Nursery school sports day at local venue TBC.
Raise the profile of Sport as part of a broad curriculum Organise events which promote a healthy lifestyle and support charities	£2,000	<ul style="list-style-type: none"> - Sport for Life: Olympic British volleyball player Peter Bakare visited the school and led a sponsored fitness circuit with all pupils, and will follow-up with a talk and question and answer session. The aim of the event is to inspire the pupils to take up sport generally, but just as importantly to encourage them to discover and then pursue their passion in life - “Be the Best” Programme: Former World, European and British Female Boxing Champion, Hannah Beharry, visited Brecknock school today! Hannah told the children about all the difficulties and obstacles she had to overcome to be the first British female boxing champion, and what the children at Brecknock could do to achieve their dreams.
Maintenance of school bikes and offer of bike training Bike & scooter parking	£500	<ul style="list-style-type: none"> - Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching - Purchase new helmets and locks for children to take part in cycling training (5 of each in total) and maintain bikes to lend to children to commute to and from school. - Support a Camden led, school wide ‘Bike Doctor’ surgery - held for children to encourage cycling and exercise: 25 Y6 children took part in week long ‘bikeability’ event. Learnt to cycle safe and navigate the roads around school on their bikes.

Total PPG received	£19,300
Total PPG expenditure	£19,300
PPG remaining	£0

Impact of spending 2017/18

- All children are receiving the highest possible standard of professional coaching in their PE lessons.
- High level of take up in sports clubs—often oversubscribed.
- In the last 12 months, children have taken part in inter school sports competitions at different year groups for the following sports: cross-country, football, dodge ball, bench ball, basketball and athletics. There are both boys and girls teams for each.
- Children received 50 free tickets to watch Arsenal play at the Emirates
- Children went to Arsenal 'Double Club' during each half term holiday, which focusses on reading (with some football too!)
- More school teams are taking part in the following events: cross-country, football, dodgeball, athletics. Every competition includes both a girls and boys team.
- The number of children commuting by bike and scooter has risen.

Sustainability

- Interest in sports is increasing and through focussing on opportunities for inter school competitions, children are keener than ever to take part.
- Applications for Sports based clubs is strong and we continue to offer these to targeted children for free thanks to the PE Premium and Pupil Premium funding.
- We continue to encourage children to walk, cycle or use a scooter to get to school. This is reinforced by the School Council and Earth Protection Teams, who deliver assemblies and talk to children in classes about the health benefits.
- We are continuing to raise the profile of Sport and "keeping healthy" as part of a broad curriculum through regular assemblies and inviting visitors to the school to reiterate this message and inspire children. We also emphasise the important of healthy living and getting outside whilst teaching. Teachers have had separate CPD sessions on how to use the school allotment and 'outdoor learning' to enhance learning.
- Arsenal coaches help provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across the school.
- MUGA – (Using other forms of funding) is an all-weather surface which can be used to play a range of games all year round.
