The mysterious death of Prince Otto!

Last night, Prince Otto was declared dead. Also, Baron Stelgratz, (A close friend of the royal family) didn't return from Prince Otto's wolf hunting trip. But, Florian was found wrapped up safely in a thick coat of sheepskin, safe and sound. [\(Continue reading if you want to find out more about Prince Otto's mysterious death.\)](#)

We had decided to interview a few eye witnesses. Princess Mariposa claimed "My heart is BROKEN! My beloved husband, DEAD! Now, he can't see our sweet boy growing up!" The Royal Physician quoted "How in the DEVIL did he have CLOCKWORK in him?!" A Royal Guard ([who guards outside the gates](#)) exclaimed "The horses looked like they saw a GHOST!!"

At approximately 2 am in the morning, the guards spotted the royal sleigh dashed high speed into the palace. The sleigh unfortunately crashed and Prince Otto was limp, except for his arm (which was WILDLY thrashing.) The Royal Physician examined Prince Otto's body and there were no wounds, so the Royal Physician decided to see the Prince's insides there was.... CLOCKWORK. Fortunately, the guards found Prince Florian safely wrapped a black mink fur coat/cape. Thank god they still have an heir to the throne!

Prince Otto's fine coffin.

Currently, the Baron is still missing and Prince Florian has miraculously recovered from his bizarre disease. Schatzberg's police force are on a search party for Baron Stelgratz and to find the culprit of Prince Otto's mysterious death. The local community hopes that they will find the murderer quickly, and that the criminal gets a LIFE sentence.
