

Dear Families,

I wanted to take this opportunity to thank all of you who were able to come to the Year Group 'Meet the Teacher' meetings which were held this week.

For those of you who couldn't make it please take a few minutes to check the school website under the class pages where the class teachers have put a copy of all the information they provided.

The big drive this year at Brecknock is to give you as much information as possible about what your children are learning and how we can work in partnership to support your child's learning. We hope you find the information useful. Please do email the teachers directly if you have any specific queries.

I am delighted that the summer sun seem to be hanging on and we are set for another lovely weekend of sunshine.

Have a happy and safe weekend.

- Parents getting involved—improving communication, particularly around the curriculum.

The next meetings that all Parents/Carers are invited to attend, will be held in the bottom hall on the following dates:

Friday 11th October - 2.45pm  
Thursday 28th November - 9.10am
