

Physical Development

Pretend you are a pirate and listen to your grown-ups commands. Scrub the deck; climb the riggings; salute and shout “captains coming”.

Week 3: Pirates

Understanding The World

Do you want to become a pirate? Watch this [story video](#) to find out how.

Why don't you go on your own pirate adventure by making a ship or fort out of boxes or bed sheets?

Literacy

Pretend that you have hidden some treasure in your house. Draw a treasure map and put an X to mark the spot where you have hidden your treasure. You could even rub it with a teabag or coffee to make it look old.

Design your very own pirate ship. Does it have a name? Can you write or say a sentence about a pirate adventure at sea...

Phonics: Can you think of some more words that start with the sound 'p'?

Communication and Language

Argh me hearties! Listen to some pirate songs [here](#)!

Play a game of I-Spy. What can you see around the room? What sound does it start with?

Maths

Pirates like to hide their treasure. Hide some of your toys and use the words 'in', 'on', 'under', 'in front of', 'next to' and 'between' to tell your grown ups where you hid them.

“My toy car is under the bed.”

Other Art & Design ideas:

Use some old boxes, packaging and other materials to make a pirate accessory. It could be a treasure chest, a telescope, a sword or even a parrot.
