

Character Chaos!

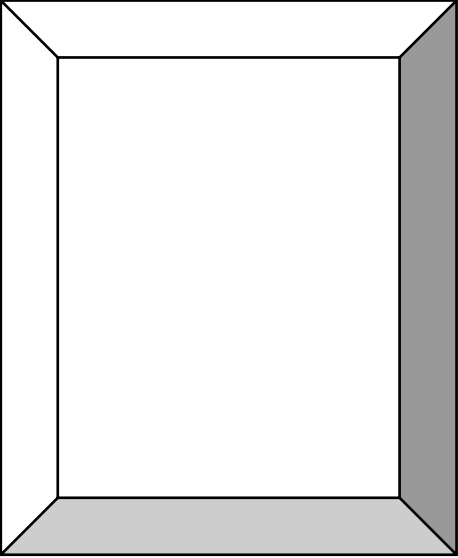

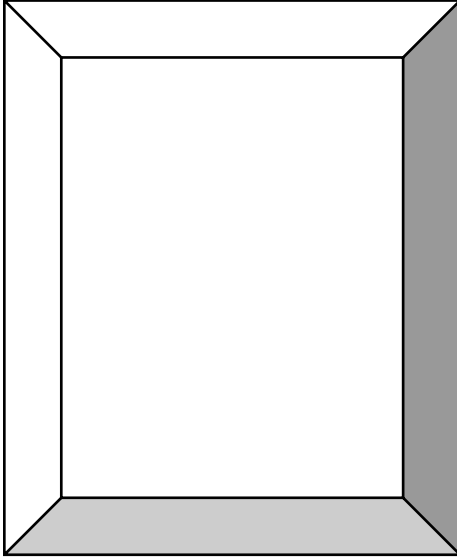

Choose **two characters** from **two different books** you've read before. Imagine, one night, the characters slip out of their books and meet up for a chat on your book shelf!

Write a little story, with some dialogue, of what they might say to each other. Can you show they are two very different characters from the way they speak?

Use the great words you came up with yesterday in the word clines AND spicy noun phrases.

Are you going to make me **laugh**, **tear up** or be **frightened**? I can't wait to read your writing!
