

Word Clines

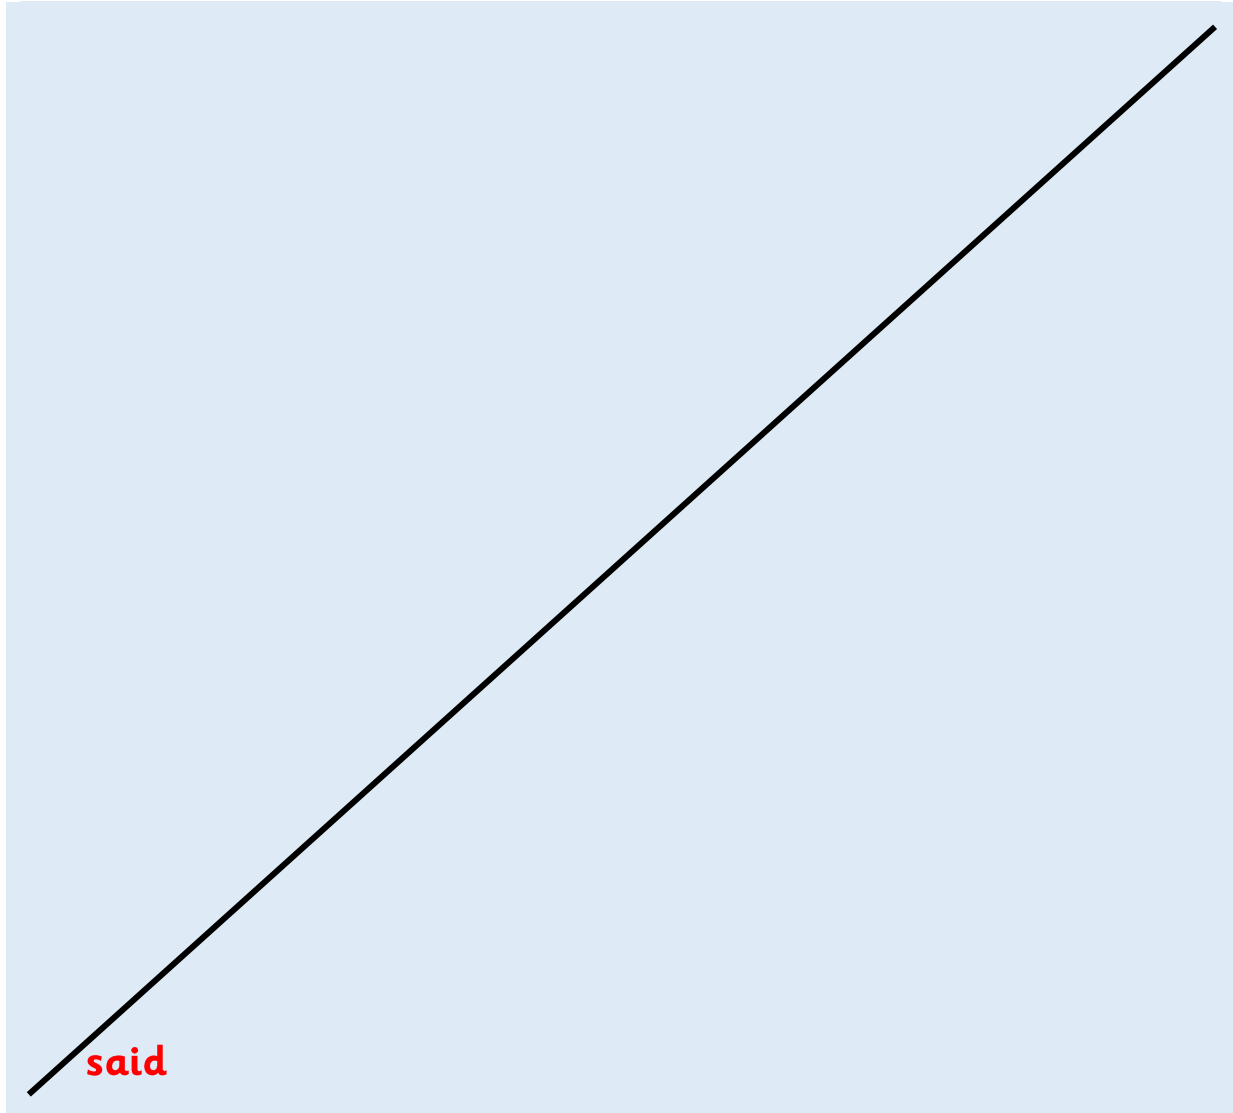

Look at the word at the bottom of the slope. That is the word you are going to be finding synonyms and more powerful words for. Check out my example for 'happy.'

I could have filled the whole page, there are so many! Try your own on the next page.

Challenge yourself to get as many words as you can. You might need to write on either side of the line. I'll give you bonus points if you find a word NO ONE else puts! Remember to send them to me.

Now Try This:

Choose 2 words from each grid and put them in a creative sentence.
