

Monday 20<sup>th</sup> April 2020

Dear Families,

**Welcome back to Summer Term at Brecknock.**

This feels like the strangest of welcome back to a new school terms messages I have ever done! It feels very strange not seeing all your faces on the playground this morning. I hope you all remain healthy and well, needless to say we really miss every single one of you!

Hopefully you managed a rest and some fun over the break and you all feel ready to start the Summer Term of learning which the teachers will be setting via our website. Henry (our Deputy Head) remains in charge of co-ordinating this work so if you have any queries you can always contact the class teacher directly or of course email Henry himself at [h.commander@brecknock.camden.sch.uk](mailto:h.commander@brecknock.camden.sch.uk)

We still have no indication from central Government when we will be able to open our doors again so I have started to put in place plans that will take us through at least the next four weeks of learning at home. I know this must be super tough on so many of you who are shut away behind doors with limited access to the outdoors. Please do take a look at the website where the teachers have tried to post lots of easy to access activities which should keep you busy.

Every week we have distributing food parcels to those families who are entitled to Free School Meals, however if you are struggling at all, need support, need to talk, need food or advice – please do not hesitate to contact me, either myself, Tiggy or Laura are in school every day and are here to help.

Take care, stay safe,

*Cal Shaw*  
Headteacher
