

Maximum and Minimum Temperatures

I can calculate the difference between temperatures.

Here are the maximum and minimum temperatures for a week in March for Minsk, Belarus:

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Maximum	-2°C	1°C	-1°C	1°C	3°C	-1°C	4°C
Minimum	-16°C	-13°C	-11°C	-6°C	-10°C	-8°C	-7°C

1. Complete this chart to record the difference between the maximum and minimum temperatures on these days:

Monday	
Tuesday	
Wednesday	
Thursday	
Friday	
Saturday	
Sunday	

2. On the Sunday before this week, the minimum temperature was 3°C colder than the following day. What was the minimum temperature on this day?

3. What was the range of temperatures of this week? (Difference between the highest and lowest temperatures.)
