

Physical Development

The Bean Game

1. Adult call out a bean name
2. Children do the action

Click here to see the different types of beans you can act out: [The Bean Game](#)

EYFS Home Learning

Week 9: Food

Literacy

Watch or read [How to make an Apple Pie and see the world](#) by Marjorie Priceman

Can you have a go at writing your own shopping list to go with your cooking or baking activity?

- What will you make?
- What food do you need?
- Where will you get it from?

Communication and Language

Bake or cook something delicious:

- Talk about the actions involved: (whisking, stirring, spreading, cooking, grating, cracking)
- Talk about 'more' and 'less'.
- Read the numbers on the scales and jugs.

Check out this game– [The Tasting Game](#).

Explore the contrasts between:

salty, spicy, sour, sweet and bitter

What taste do you like?

What taste do you not like?

Maths

Make a Counting Cocktail:

1. Choose and cut your fruit (up to 10 or 20 pieces)
2. You can practice your counting to 10 or 20 as you add your fruit to the stick or bowl.
3. Or use the **1, 2, 3, 4, 5 Recipe**: pick one of one type of fruit, two of another, three of another and so on.

Challenge: Can you count back down to 0 as you eat your fruit? Use your fingers to help you!

Understanding The World

Taste food from other countries:

What country does it come from?

Do you like it?

How does it taste?

What types of food do your family eat?

For some inspiration– [click here](#)

Art & Design

What do you like to have for Dinner?

Draw, paint or use papier-mâché to recreate your dinner onto a plate.

What colours do you need?

What shapes can you see in the food?
