

## Famous Scientists Fact File Task!

This week, we have been learning about Electricity to remind us of our most recent science learning!

There have been a number of scientists related to the field of electricity in history.

Have a look at the different scientists below.

For this task, we would like you pick one of the scientist below to create a Fact File about. We would like you to research about their life and then complete the Fact File Worksheet.

Benjamin  
Franklin

Thomas  
Edison

Nikola Tesla

Michael  
Faraday

Alessandro  
Volta

Georg Ohm
