

## Physical Development

Pretend to do these actions when you go outside for your walk:

Dig for treasure like a pirate

Swim like a mermaid

Zoom like a space rocket

Dance like a fairy

Fly like a dragon

Mix a potion like a wizard

## Week 8: Treasure

## Personal, Social, Emotional Development

Think about one of your friends or a person in your family. What makes that person special? Use a word to describe that person and give a reason e.g. "My mum is kind because she always looks after me".

Useful words:

kind, friendly, caring, happy, brave

Are we all treasures?

## Literacy

Go on a treasure hunt when you go for your walk outside.

Can you find:

Something smooth?

Something yellow?

Something soft?

Something rough?

Something that has a smell?

Something that came from a plant?

Draw a picture and write about what you find.

## Maths

Pirates hide their treasure.

Play a game of hide and seek with your grown ups, either inside your house or when you go outside. Use the words 'in', 'on', 'under', 'in front of', 'behind', 'next to' and 'between' to talk about where you find them.

"You were behind the door!"

Sing our song to remind you [here](#)

## Communication and Language

Watch this story about a [boy who became a pirate](#) and answer these questions:

Who are the characters in the story?

What happens to the pirate's boat?

Where do they hide the treasure?

## Art & Design

Can you make your own treasure box? Have a go using some junk modelling materials. What special things will you keep in your treasure box?
