

Physical Development

Water is important to everyone.

Listen [here](#) to hear how it is used differently around the world

Can you move to the sounds you hear? Can you move your fingers, then your wrists?

Join Joe Wicks [here](#) in a movement session

EYFS Home Learning

Week 8: Sand and Water

Understanding The World

Different types of animals and some people live in or near deserts.

Look at some pictures [here](#)—an adult can read it to you

Do you know of any animals that live in the desert? Find some [here](#)

What do you think they like to eat? Find out more [here](#)

Communication and Language

Go for a virtual walk along the Regents Canal [here](#).

What can you see?

Who can you see?

What do you hear?

Try some of these Phase One phonics games online, [here](#)

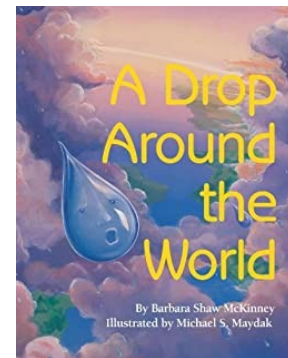

Literacy

The Little Rain Drop—listen to it [here](#)

A Drop Around the World—listen to it [here](#)

Desert Night, Desert Day—listen to it [here](#)

Maths

Try these maths games online, [here](#)

On your daily walk, can you count how many steps you take to get to the front door? The first bus stop? The next shop? How many jumps can you do to reach mum or dad? How many skips? Leaps?

Art & Design

Listen and join in with these dance routines.

Can you make up your own dance?

Find some inspiration [here](#)

Can you make a desert animal's habitat? Use what you have learnt on this page to help you!
