

Dear Families,

It's been wonderful to welcome back so many children from our Reception, Year One and Year Six. This week we have had almost 100 children onsite and our re-opening has gone very smoothly.

Parents who are considering taking the opportunity to re-join these year groups for onsite learning must please let us know by noon on Thursday for the following week. Children are being taught in small family bubbles that do not mix with other bubbles. It has been so wonderful to see the smiles on the faces of so many children who have come back to us and saw some of their friends.

For those of you remaining at home for the time being our remote learning continues on the website if you need any help at all please do email the teacher or Henry. (H.commander@Brecknock.camden.sch.uk)

Remote Learning

Due to the wider reopening of the school, a large proportion of our staff are now working on-site. Don't worry, we are still committed to providing online learning through the website. We are also going to continue our weekly calls to families. Organising Zoom calls has been trickier but we should be up and running next week. We are also thinking of ways to connect the children working onsite with the children working remotely through videos or letters. Currently, the following teachers are going to be overseeing the online learning for each year group. However, this may change if more children start learning onsite as it will require extra teachers to support them. **We will let you know if there is a change of teacher overseeing your child's year group and ask you to be understanding and patient whilst we find another solution! Thank you for all your hard work supporting the children's learning at home—you are amazing!**

Nursery & Reception – **Rachel**
Year 1 - **Laura & Katie C**
Year 2 - **Kate T & Katie C**
Year 3 - **Maeve**
Year 4 – **Lisa**
Year 5 – **Angie**
Year 6 – **Muzeyin**

- End of School Year

Home Learning Work Packs

The next set of home learning work packs will be available to **collect NEXT WEEK**. Teachers will send an email with dates, times and instructions as soon as they are confirmed.

Returning To School

If your child is currently in Reception, Year 1 or Year 6, but has not returned to school as of yet, please remember to inform the school by Thursday for a Monday start.

You can inform the school by calling the main number and either speaking to a member of the school office or else leave a voicemail.

You can also email the school on admin@brecknock.camden.sch.uk

We do not have any further information currently regarding other years returning to school.

Let's continue to work together to stay safe and protect our community.

New School Life

As you know we have welcomed back Reception, Year 1 and Year 6 to school. We also have some children from other years as their parents are critical workers. Anyone back in school has been put into what we are calling a bubble. Each bubble will work, play and eat together. They have had a brilliant first few days back, getting into a routine and adjusting to school life.

Whole School Task

Whole School Task

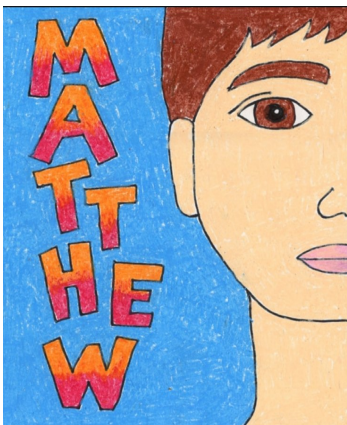

We will be setting a task every two weeks that we would like EVERY child in Brecknock to have a go at. It doesn't matter if you are in Nursery or Year 6.

It doesn't matter if you are learning in school or if you are learning at home remotely.

We would like you to all have a go!

The first task is to create a self-portrait. You can be as creative as you want. You can use pencils, pens, cardboard or even have a go on the computer - there are no rules!

Below are a few cool examples!

Once you have finished, send a picture of your self-portrait to your class teacher or to h.commander@brecknock.camden.sch.uk

We will be putting them in the newsletter and up on twitter.

Dojos will be given to all children who send in their picture!

Home Learning

Since the last newsletter, we have seen some great examples of children learning onsite and at home. We have been very impressed with the effort that we have seen across the years—from work uploaded through the website, or that has been emailed to the teachers or spoken about on the weekly catch up calls. Here are a few examples.
