

Whole School Task

A big thank you and well done to everyone who had a go at the first task. We were amazed at the incredible quality and creativity of your portraits. Remember, we would like **EVERY** child in Brecknock to have a go these tasks. It doesn't matter if you are in Nursery or Year 6.

TASK 2 - Get your aprons on!

The second task is simple: cook or bake a meal or item of food with somebody at home. It might be a family favourite, a new recipe or something that means something to you. Take a picture and send it in to your teacher or to h.commander@brecknock.camden.sch.uk. For bonus points, say a bit about it: maybe why it is special to you, why you like it or how it is made.

Growing up from Birmingham, Henry is big fan of a curry. Here he has rustled up a saag paneer, a classic Indian dish of cooked spinach with cubes of fried paneer cheese. Thickened with cream, it's a hearty and filling vegetarian meal that's delicious with a roti!
