

Thursday 11th June 2020

Dear Parents & Carers,

Work packs / food parcels and much more

I hope you are all keeping well and staying safe as we head towards of week eleven of lockdown, these are certainly very strange times for all of us.

Many of you will know that we have distributing food parcels and have now started to move over to allocating food vouchers for local supermarkets. If you are entitled to free school meals you can be allocated a food voucher worth £15 each week to help you feed your child at home. If you need any further advice about using the vouchers and applying for free school meals you can contact any of our office staff who will be happy to help.

Each week we are also running a food bank for any families for need additional food in these tricky times. We will message families with times and dates for you to come and collect some essential cupboard fillers.

We are also preparing work packs for those children who find it harder to access our remote learning on the website. Again we will let you know when these are ready for collection.

Stay safe – please do contact us if you need anything at all.

With best wishes

Cal Shaw

Headteacher
