

Wednesday 2 September 2020

Dear Parent/Carer

We hope that this letter finds you well and having had an enjoyable summer holiday.

We are very much looking forward to the children returning to school on Thursday. It will be wonderful to see everyone, and for them to be able to engage in the face-to-face learning that we know they have missed during the last several months. You will have already received our guidance for a safe return to school via email and we will be sending an updated version today; please do read this ahead of your child returning to school. **The key change in the updated version is that children WILL be in school on Friday afternoons until the end of the day; please ignore any references you have seen to an early finish on Fridays.**

We also want to advise you that Cal, our Headteacher, is taking a period of leave for personal reasons. While Cal is away from school, Helen Bruckdorfer, Headteacher of Torriano Primary School, will serve as Interim Executive Headteacher, working across both schools. Helen will work alongside Brecknock's brilliant Senior Leadership Team and staff to support the school. We are excited at having an opportunity to learn from Helen and her team, as Brilliant Brecknock continues to go from strength-to-strength. Helen is looking forward to meeting families in the coming days and weeks, so do say 'Hello' to her when you see her around school. Torriano is our closest Camden partner primary school, and it is in a spirit of collaboration and continuity that Helen joins us.

We will keep you updated about when Cal is expected to return to school, but in the meantime we wish you all a very happy start, and a hugely successful new school year.

Yours sincerely

Richard
