

Year 1 Curriculum Letter Autumn 2023

Dear Parents and Carers,

We hope you had a restful time with your family over this summer holiday. We are delighted to welcome you back this term as it is packed with learning! See below for details and links to support you and your child.

Our federation theme for the 2023-24 academic year, 'Dear Earth', connects our pupils with science and nature to build a more sustainable future. This theme is inspired by our work with the artist Cornelia Parker in the Dear Earth exhibition at the Hayward Gallery last year and our participation in Darwin200 this year.

Or just come along to our first Friends of Brecknock meeting on Wednesday 20th September at 9.00am in the Dining Hall.

Reading our way into 2024!

The Reading Road Map is back, with new books arriving in the coming weeks. This collection of newly published authors books will take pupils on a journey of tall tales and exciting adventures. Share these with your child at home and encourage them to read every night.

Black History Season

Black History Season is a momentous occasion to recognise and celebrate the invaluable contributions of black people to British society. It also serves as an opportunity to inspire and empower future generations. This year, Black History Month will be dedicated to honouring the achievements of black women who are often the forgotten heroines.

Year 1 Autumn Term Learning

The attached curriculum leaflet gives you an overview of the learning that will be taking place this half term in your child's year group. You will receive a new curriculum leaflet every half term, keeping you updated with the learning. Our Year 1 topic for this half term is 'Kentish Town High Street', and this is the overarching theme for our humanities (geography and history) and English lessons.

All classes will use their Brecknock Timelines and Knowledge Mats to support children's learning, supporting them to remember and recall key facts. See below for useful links.

Attendance and Punctuality

Being in school is vital for children's education and for their wellbeing. All children are expected to attend school every day unless they are unwell. Last year, our attendance was slightly higher than the previous year at 92% but still significantly below our 95% attendance target. School attendance is mandatory. Please be aware that:

- It is a parent/carer's duty to ensure that their child attends school
- It is the schools' responsibility to record attendance and follow up absence
- Schools and local authorities may issue sanctions, including fixed penalty notices in line with local authorities' codes of conduct if a child is absent from school.

Punctuality and the School Day

Please see the table below and note the key times.

EVENT	TIME
Breakfast Club starts	8.00
School gates open	8:50
School bell for lining up	8.55
School starts	9:00
School ends	15:30
Clubs end	16:30 (some later clubs end at 17:30)

Extended hours ends	18:00
---------------------	-------

Please note, if your child arrives after 9am they will be marked as late and need to report to the front office.

Please support your child to be ready for school with their books and bags, ready to encourage a prompt morning routine. Children arriving late to school miss vital learning and school routines which can create anxiety as children arrive unsettled. If you find arriving at school on time challenging, please speak with staff and find solutions together. We look forward to helping establish positive learning routines and improving attendance this year.

Many thanks,

Helen, Lisa, Katie, Leighann and Julie
