

Brecknock Year 1 Spring 2 Curriculum Leaflet

HUMANITIES - GEOGRAPHY: Migration - Moving to Thrive, Geographical Skills and Knowledge Study

Using simple compass directions (N, S, E, W) in the context of maps. Identifying human and physical features on a map. Using basic geographical vocabulary to refer to key physical features, in the context of the local environment and animal migration.

ENGLISH

Key texts: World Book Day - Paddington by Michael Bond, Speak up by Nathan Bryon

Outcomes: fictional narrative (to entertain), fact file (to inform), Speak Up STEAM speeches (to persuade)

Phonics: Phases 3-5 graphemes

MATHS

Mastering Number: Number facts and arithmetic

Additive Structures [2]: Addition and Subtraction. Inverse operations. Finding missing parts. Addition and Subtraction Facts within 10: Find pairs of numbers to 10. Consecutive numbers. Doubling and halving. Subtracting and adding zero. Numbers 0-20: Use knowledge of addition facts within 10 to calculate within 20.

SCIENCE- Animals including humans:

Learn how to identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense. Describe and compare the structure of a variety of common animals and name those that are carnivores, herbivores and omnivores. This will link with Year 1's STEAM project - Dear Journey - linking science learning to geography to understand animal migration. Seasonal changes - Throughout the school year, pupils will take time to observe changes in weather and the natural environment around them, and explore how this may affect animals and humans that live in and around it.

COMPUTING - Data and Information - grouping data, including counting, describing and comparing objects.

PHYSICAL EDUCATION: DUEL, WIN, LOSE-Team games developing simple tactics for attacking and defending.

PLAY, PROTECT, SCORE- Object control- developing coordination and control-Arsenal Coaches.

RE - Concept – Welcoming. Christianity: Easter – Palm Sunday

PSHE - Health: places and people who keep me safe, how to keep safe around medicines, how to make an emergency call.

ART & DESIGN and DESIGN TECHNOLOGY:

Experiment with the technique of printing using found objects. Linking to the Geography topic on migration, children will use printing to make pictures of animals and animal trails.

MUSIC: Singing skills, rounds (ostinato and melody). Learn a repertoire of songs, which include movement, body and hand percussion.
